Student Reports
The teachers have been working hard over the last few weeks to complete the mid-year student reports. These reports will clearly indicate progress made and current areas of achievement at, above or below the expected standard against the Australian Curriculum (AusVels). Not all students will make significant progress or meet all of the standards expected for their year level all of the time. It is not unusual for students to make better progress in some areas than in others. Some students may not be achieving at the standard yet but have made significant progress since the previous year. Sometimes students even “plateau” for a while before making more progress. In reading your child’s report, it is important to remember that the A–E ratings have a specific meaning that is consistent in all Victorian schools. For example, on the report card, no matter which school your child attends, a ‘B’ rating will always mean that your child is above the state-wide standard expected at the time of year. A ‘C’ rating will always mean your child has achieved the state-wide standard expected at this time of the year, and their learning is firmly on track. This is an excellent result and means that your child is doing well. The student reports will be sent home tomorrow, Friday 17th June.

Parent/Teacher Interviews
The interviews will be taking place next week, the last week of term. These interviews strengthen the partnership between school and home, ensuring that we all work together to assist your child to reach their full potential. The student reports are due to be sent home tomorrow so that you have time to read through them before next week’s interviews. Each interview is scheduled to last for 15 minutes. Please ensure that you arrive on time for your interview and remember to contact the office in advance if you are unable to make the designated time. During the interviews it is important that everyone keeps to their time so that it does not affect the timetable across the school. If you require more time then another appointment may need to be scheduled with the teacher. To book your interview time you need to log onto https://www.schoolinterviews.com.au/ Please be aware that you need to use the new code for this booking and not the code that you received in February. Once you are logged on, enter a preferred time and provide details such as your email address. This portal is now open and will remain open until midnight tomorrow, Friday 17th June.

Election Day Cake Stall
The Federal Election Day is happening on the middle Saturday of the school holidays and Parents’ Club are keen to use this opportunity to raise some funds for the school. They will be holding a sausage sizzle and will also have a cake stall on the day. Cakes, slices and cookies are always popular and usually sell out quickly. Parents’ Club will be sending home plates home to families who have indicated that they would be willing to make something for the school. Please email Sue Doherty in the office if you are able to assist. We are asking that you support the school fund raising effort by making cakes, slices or biscuits and then bringing them up to school between 8:00 – 9:30am on Election Day to hand over to the stall holders for sale. We are also looking for helpers on the day so if you can spare an hour or two before voting, please see the flyer enclosed in this newsletter to register your assistance. Please help out in any way that you can.

Jump Rope for Heart
Our students have been working really hard on their own skipping routines in preparation for the big Jump Off Day on Friday next week. This activity is linked to fundraising for the Heart Foundation. The money raised is directed to research into heart conditions and encourages healthy lifestyles to prevent heart disease. Tomorrow we are having a visit from students of a skipping demonstration school. Their skill and routines are amazing and will really motivate our students to improve their own skipping. Friday next week will be the whole school’s skipping day.

School Camps, Sports & Excursions Fund
The State Government has set up a fund to assist eligible families to cover the costs of excursions, school camps and sporting activities. If you hold a valid means-tested concession card or you are a temporary foster parent, you may be eligible for the School Camps, Sports and Excursion Fund (CSEF). The allowance of $125 for primary school students will be paid directly to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.
If you believe that you are eligible to receive this CSEF then contact the school office to obtain a CSEF application form or download the form from www.education.vic.gov.au/csef.
You need to lodge this CSEF application form at the school by 24th June 2016.
For more information about the CSEF visit www.education.vic.gov.au/csef.

Year 2 Working Bee
The next working bee is scheduled for all Year 2 families this Saturday 18th June. This is the weekend before the next school holidays so we will be cleaning up the school but also undertaking some major works around the amphitheatre that will require plenty of help. Please put this date in your diary now. More information will be sent out soon.

Last Day Dismissal
A reminder to everyone that the last day of Term 2 is Friday, the 24th June. Students will be dismissed at 2:30 on this day.

ELECTION DAY CAKE STALL 2016

The Election Day Cake Stall and Sausage Sizzle is an extremely effective way to generate funds for our school. We are asking Chatham families that are going to be around in the holidays to get baking and provide us with two plates of home-made goodies to sell at the stall. You can make anything from honey -joys, slices, whole cakes, muffins, cupcakes or biscuits. Allergy friendly products are also very popular. All items must be home-made.

Due to Health Regulations, please NO CREAM, CUSTARD, CHEESE or other fillings requiring refrigeration as we will not be able to sell these.

If you are happy to help, please email Sue Doherty and we will arrange for plates, plastic bags, ties and labels to be sent home to you. Please let us know if you would like individual bags for cookies, balls or smaller items.

Boroondara health regulations require the following information written on the label:
- The name/type of cake, biscuit, slice etc. eg. Choc Chip Muffins
- The main ingredients. eg. Eggs, Flour, Sugar, Nuts
- Your initials and your child’s class. eg. LQ/5KB
- The date you made it and how long it will keep.

Please place your baked goods on the plate provided and put inside the bag (beware of sticky icing or hot cakes when doing this!)
Attach the completed label to the string and tie the bag up.

All donations need to be recorded in order to meet local Health Regulations, so it is important that all baked goods are delivered to the stall on Saturday 2nd July between 8:00am and 9:30am

We are also looking for volunteers to assist on the day, if you can help for an hour or more please log on and fill in your details: http://vols.pt/BkPseY
At the moment 5HM are working on a project called Future Melbourne. Our group has chosen to help the homeless.

To help, we have decided to start a blanket drive. We are hoping to gather as many blankets or sleeping bags as we can to help keep them warm during these cold winter nights.

Chatham Primary can help fight homelessness. We would like it if any families could please donate any blankets or sleeping bags you are not using any more. Please deliver them to the office or 5HM.

We are really looking for some support to help these most deserving people.

Victoria has the second most homeless people in Australia.

Every 1 in 200 people are homeless.

56% of homeless people are men and 44% are women.
