JAPAN STUDY TOUR
Well, they are off. 20 students, along with Mr Rothwell, Bradford Sensei and Mrs Gilbert, boarded a plane last night headed for Japan with a connecting flight in Hong Kong. I am certainly very envious having experienced the beauty and history of Japan last year as part of a teacher study tour. I, along with the rest of the school, will be tracking the students’ travels via a blog, posing questions about places they have visited. Tomorrow marks one of the most memorable highlights of the trip as they visit Yoshimi Elementary School.

LITERACY and NUMERACY WEEK
This week celebrated Literacy and Numeracy Week. While we celebrated Book Week last year with a Dress Up Book Character Parade, this year at Chatham students have been undertaking special Literacy and Numeracy activities in their classroom. And tomorrow, the whole school will be involved in a shared reading of a nominated book during assembly, led by Glenda Kelly. Next term there is also a Book Fair in Week 6, which has been organised by Melissa Hosking as part of our Library Program.

Tomorrow Georgie Kirwan is taking eight students from Yr 6 to participate in a Maths Games Day being held at Genazzano. On the day, students from a diverse range of schools in Victoria, work in teams to solve a variety of mathematical problems.

SUMMER UNIFORM
The weather has certainly been a few degrees warmer than in past weeks, as we officially celebrate the first day of Spring today. I have certainly noticed the white blossoms and gentle flurry each morning as I walk towards the front entrance. And with the warmer weather, comes a change of seasonal uniform. The new summer dress is now on sale through Surrey Hills Clothing. The new dress has been produced with a superior material and a more flattering dress design for all sizes. The fabric also has a small yellow fleck in the material making this dress unique to Chatham Primary School. As with any introduction of a new uniform item, there will be a 3 year transition in place with the idea that parents will purchase the new dress when their children grow out of their current dress uniform. Other summer items include comfortable summer shorts with a zip pocket which can be worn by both boys and girls, or skorts. And don’t forget, approved sunglasses in black or green can be purchased, along with hats which from today are compulsory in line with our SunSmart Policy.

KINDERGARTEN VISITS
This week, the Prep teachers took a small group of selected Year 6 students to our main feeder kindergarten, Canterbury and District Kindergarten, as part of our Transition to School program. These students read stories to the younger children, as well as played and talked to them about kindergarten and starting school next year. The feedback from the kindergartens and parents each year is that these visits have been very positive in the past with our Year 6s displaying outstanding interactions with the kindergarten children.

SWIMMING PROGRAM
The intensive Swimming Program for students in Prep to Year 4 commences next Monday. All notices should have been returned as we are organising timetables and buses based on our current numbers. This program will take place for 9 days from Monday 5th to Thursday 15th September. Students will be travelling to the Kew Recreation Centre for intensive sessions by experienced swimming instructors. Swimming is part of the AusVELS curriculum and we encourage all students to take part in this program to help develop their swimming technique and endurance, as well as learning valuable water safety and survival skills.

FATHER’S DAY BREAKFAST and STALL
A reminder that a special Father’s Day Breakfast has been organised for tomorrow, with the first shift commencing at 7:00am. A reminder too that Parents’ Club will be holding a Father’s Day Stall tomorrow. Students should bring some of their pocket money to purchase one of the great gifts for the special man in their life and please bring a bag to take purchases home.

TRASH AND TREASURE—SCHOOL FAIR 2016
Next year’s Fair is fast approaching and with Spring coming, I thought it would be an excellent time to do a bit of Spring cleaning, and also help our school at the same time! We will be collecting items for the Trash & Treasure stall in term 4, if you have any of the following items in good condition, can you please hold them until next term (drop off details will follow):
Household items
Kids toys
Kids clothing (including snow and surf gear)
Sporting equipment and footy boots
Storage solutions
Instruments
DVDs
Furniture
Jewellery
Anything and everything still in good nick! NOTHING ELECTRICAL PLEASE.

Many thanks,

Chatham Science Fair!

WEDNESDAY the 17th and FRIDAY the 19th OF AUGUST

Chatham’s Science Fair, celebrating National Science Week, was a roaring success!

We’d like to thank every participant, and their families, for their amazing contribution of models, dissections, displays, activities, explosions and investigations.

These budding scientists certainly have created a ‘science buzz’ around the school!

Thanks to everyone who came to talk science and be dazzled by all our participants’ hard work.

Chatham Primary | 2nd September 2016

Hello to all Chatham families,
This week we are continuing with our preparation for our art show in September!
We are also starting to make gifts for our Dads for Father’s Day!

Camp Australia is supporting The Smith Family
We are raising funds to support The Smith Family’s Learning for Life program. We will be offering:
- Art Show on September 5th and 6th with a gold coin donation for entry
- Guessing Jars 50 cents for a guess or $1 for 3 guesses

These funds are to provide disadvantaged children with education essentials (e.g. books, bags, uniforms) and learning support. Our not for profit organisation, the Camp Australia Foundation will proudly match every dollar raised. Please help us support the education of disadvantaged Australian children.

Looking forward to seeing you there!

Take care everyone!
From your OSHC team Hannah, Sarah, Nick and Gavan.

Play it Safe - Parent Information Session
Teenage parties get a lot of bad press, but they can be a positive aspect of your child’s social life and development. There’s no one right way to handle parties, but if you plan well and keep the lines of communication open, you can help your teenager stay safe and have fun too.
Join the Victorian Police and Inner East Drug and alcohol service (IEDAS) to learn how to keep your young person safe during the party season.

Wednesday, 2 November 2016 from 7:00 PM at Council Offices Camberwell.
For more information or to register visit:

Thank you to the fantastic turnout of over 70 best "bad" moms that joined us for our Surrey Stars Movie Night on Sunday night!

We had so much fun seeing you all and watching a hilarious (and touching!) movie that we ALL related to!

The movie night raised over $800 for The Fred Hollows Foundation. Thank you so much for your support of the Surrey Stars, Melbourne Coastrek and The Fred Hollows Foundation – it is truly appreciated.

Coastrek Fundraiser for the Surrey Stars

CROISSANTS

The Surrey Stars (Ruth Craig-Brown, Rata Pawson, Louise Ross, Mary-Anne Dewaele, Carly Bolitho, Simone Bella, Lisa Bennet, Susan Hardiman) are offering delicious butter croissants and chocolate croissants at exceptional prices to the school and broader community.

We are fund raising for Coastrek, a 30km walk on the Mornington Peninsula in November, which raises funds for the Fred Hollows Foundation. All profits go directly to the Fred Hollows Foundation.

$10 for 6 plain croissants
$12 for 6 chocolate croissants

All orders arrive deep frozen and can be stored for up to six months in your freezer. Leave to stand overnight while they more than double their size and are ready for baking fresh the next morning!

Orders must be in no later than 4.00pm Wednesday 7 September 2016.

Orders are to be collected from Chatham Primary at the portables next to the basketball court, on Friday 9 September between 3.00pm and 4.00pm. Any queries please call Susan Hardiman on 0409 143 021. Order over $100 can be delivered after 4pm by contacting Susan Hardiman.

We are SunSmart - a note for families

Too much UV can cause sunburn, skin and eye damage and skin cancer. Overexposure to UV during childhood and adolescence is a major factor for future skin cancer risk.

You can’t see or feel the sun’s UV so don’t be fooled. Whatever the weather, if the UV levels are three or more, it’s important to Slip, Slop, Slap, Seek and Slide!

Our school aims to protect children and staff from too much UV to help minimise future skin cancer risk. We are a registered member of the Cancer Council Victoria’s SunSmart Program. Please help support our SunSmart membership by ensuring your child follows the SunSmart measures included in our policy.

During the daily local sun protection times (issued whenever UV levels are three and above), use these 5 SunSmart steps – even if it’s cool and cloudy.

1. Slip on a shirt – for free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.
2. Slop on SPF 30 (or higher) broad-spectrum, water-resistant sunscreen – apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to be reapplied throughout the day. Please ensure they get plenty of sunscreen application practice at home so they’ll be all set when they are at school.
3. Slap on a hat – one that protects the face, neck and ears such as a broad brimmed, legionnaire or bucket style hat. Peak caps do not offer enough protection and are not recommended by SunSmart. Please help your child remember to bring and wear their approved hat.
4. Seek shade – choose shady spots for play whenever possible.
5. Slide on some sunglasses – if practical and approved by the school. Make sure they are labelled AS 1067 and cover as much of the eye area as possible.

Sun protection times

Don’t just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.
