HOW TO MAKE A LIZARD LOUNGE
By
CHATHAM PRIMARY SCHOOL

Find an area at school that is in need of a make over. Scavenge logs, pipes, mulch, rocks and plants from anywhere you can.
DRAW UP A PLAN FOR THE AREA
(WE HAD A LOVELY PARENT WHO HELPED US OUT)
TALK TO YOUR LOCAL COUNCIL ABOUT SOURCING SOME PLANTS—BOROONDARA COUNCIL ARE ALWAYS HAPPY TO HELP US OUT AND WE GOT 80 PLANTS FROM GREENLINK NURSERY.
COMBINE SOME FABULOUS COMMUNITY SERVICE STUDENTS WITH SOME ENTHUSIASTIC ENVIRONMENT LEADERS
AND PUT THEM TO WORK….While the chickens watch on!
GET EVERYONE TOGETHER ON NATIONAL SCHOOL TREE DAY TO FINISH THE JOB AND WHO KNOWS EVEN YOUR LOCAL POLITICIAN MAY LEND A HAND (THANKS JOSH).
And that’s how you turn this...... INTO THIS!
